Contact details

Do you need more information? Please turn to Carel Jaspers, director: +31 6 22 80 29 63. Please send your application (motivation letter and resume) no later than 18 Februari 2020 to c.jaspers@q-point-bv.nl, with mention of 'position junior consultant Kenya Q-Point' and your name in the subject bar.

Background

Q-Point is an independent Dutch consultancy firm working for the Dutch and international public and private sector. Q-Point specializes in consultancy projects for agro food businesses (from producer to retailer), donors and public institutions. Q-Point has broad experience in food safety (FSSC 22000, BRC, IFS, GMP+, GlobalG.A.P.), traceability, integrated quality management (ISO), value chain management & analysis and market/business development (e.g. development, coordination and project management of international value chain projects).

Currently Q-Point is currently involved in five ongoing (Nuffic NICHE/OKP) projects in Kenya being the leading firm and one project in Kenya as a consortium partner.

The junior consultant to be based in Kenya (Nakuru County) will be linked to ongoing projects in Kenya and will build our professional network, identify new potential clients and projects and have a substantial and solid client portfolio in the agro and food sector in two years. This position will be linked to the YEP programme (not approved yet).
